EcoVadis Gold for Nilfisk

Nilfisk has industry-leading ambitions for sustainability and recent efforts are now awarded with the EcoVadis Gold Medal. Thereby Nilfisk places itself in the top 5 percent of all global companies rated by EcoVadis.

About EcoVadis

EcoVadis is considered the world's largest and most trusted provider of business sustainability ratings. They assess and continually monitor more than 100.000 global companies' Sustainability management and progress. The EcoVadis Gold Medal rating is the second consecutive year Nilfisk has received a gold medal. Learn about EcoVadis at <https://ecovadis.com/>

Nilfisk performance rating

EcoVadis consists of four categories: Environment, Human Rights & Labour Rights, Sustainable Procurement, and Ethics. Nilfisk received 80/100 points in Environment, 70/100 points in Labour and Human Rights and Sustainable Procurement, and 60/100 points in Ethics. Combined this awarded Nilfisk a score of 71 points, placing our company in the 95th global percentile of all companies assessed by EcoVadis. A detailed scorecard can be requested at sustainability@Nilfisk.com.

Sustainability in Nilfisk

At Nilfisk we are committed to setting a high sustainability standard to deliver value to Nilfisk's customers. We see a rising demand for elaborative insights into our ESG performance and how we can credibly demonstrate our work with sustainability. Through our Science-Based targets for all three scopes we are dedicated to reducing the climate impact of our business activities, and through EcoVadis we demonstrate our ability to work with continuous improvements of our sustainability commitments and governance.
